Dear Mr Wegener

Accreditation of Celemetrix courses, being course codes CMT-05-00, CMT-06-020, CMT-07-023, CMT-07-080, CMT-07-090, CMT-07-095, CMT-08-060 and CMT-08-065

I refer to the Celemetrix courses submitted to Telstra by Celemetrix for accreditation by Telstra, namely:

CMT-05-001 Fibre Optic OTDR, Commissioning & Reporting Training Course Version 4.
CMT-06-020 Fibre Optic Splicing & Joint Enclosure Training Course Version 2.
CMT-07-023 OTDR & Fibre Optic Joint Enclosure Assembly Training Course Version 2.
CMT-07-080 FTTP Operations and Maintenance Training Course Version 2a.
CMT-07-090 FTTP Network Construction & Commissioning Training Course Version 1.
CMT-07-095 FTTP Transmission Operations and Maintenance Training Course Version 1.6
CMT-08-060 FTTP Network Auditors Training Course Version 1.
CMT-08-065 FTTP Network Designers Training Course Version 1.

Telstra has reviewed same and is satisfied that the course content meets Telstra's standards as at February 2009.

As such, the above courses are accredited as approved courses for Telstra training purposes covering the course content submitted to and reviewed by Mr Ray Nussio of Telstra.

However, please note that any course changes or updates will require re-accreditation from Telstra. It is the responsibility of Celemetrix to ensure that courses are kept updated.

Yours sincerely
