Important facts to be aware of:

Celemetrix is the authorised service centre for **FLUKE Networks & FLUKE IG** in Australia & New Zealand.

Due to contractual agreements with **FLUKE**:

- Celemetrix can only supply parts publically available that are listed in a user manual.
- A part number must be supplied to Celemetrix before an enquiry can be processed.
- We CAN NOT sell parts based on photographs or descriptions.
- For **FLUKE** accessories please contact your local authorised Fluke distributor. (A list of authorised distributors can be found on Fluke's website).
- For Public **FLUKE** manuals, please refer to: <https://www.fluke.com/en-au/support/manuals>

No exchange or refunds on special order parts or parts when supplied with an incorrect part number.

Special order parts may incur additional shipping fees due to international freight costs.

Spare parts for **KEITHLEY & Tektronix** are available, however are limited.
